YOUR GROUND FLOOR GARDEN OASIS IN THE HEART OF NARRABUNDAH

Tucked within the ever-popular Banjo Paterson complex, this beautifully renovated ground floor apartment offers something truly special - a home wrapped in greenery, with tranquil front and rear gardens that feel more like your own private oasis than an apartment courtyard.

From the moment you arrive, the lush, established gardens invite you to slow down and breathe. The north-facing front courtyard is bathed in natural light and framed by beautiful plantings, creating the perfect setting for your morning coffee or an afternoon unwind. At the rear, a second private garden retreat provides another peaceful space to relax, entertain or potter among the greenery.

Inside, the home is warm, welcoming and move-in ready. The renovated kitchen is both stylish and practical, offering generous bench space and quality appliances, flowing effortlessly into the light-filled open plan living area. Comfort is assured year-round with reverse cycle heating and cooling in the main living space, ceiling fans in both bedrooms, and an additional electric heater in the main bedroom for cosy winter nights.
