Sellers Going Separate Ways

Selling is a priority for my sellers who have decided to begin a new journey separately.

The 687m² property sits in a quiet cul-de-sac. The brick home offers a floor area of 180m² (approx), with a well-appointed kitchen/dining opening to a covered outdoor area, extending your living space all year round. Bring your DIY skills and make this home.

With popular public transport routes on your doorstep, just minutes to the CBD, The Base shopping centre, and local shopping mall.

My sellers are committed to meeting the market, and a sale is paramount!

An information pack is available, so making an offer is easy.
