DEDICATED DOWNSIZERS

Our vendors have committed to downsizing from this gorgeous home, however, they need it sold sooner rather than later.

This classy project not only has four bedrooms, there is three bathrooms, stunning kitchen and a sun-drenched deck overlooking the large backyard.

The clever floorplan also provides an self-contained guest accommodation downstairs with its own bathroom and sitting areas, ideal for the in-laws, older children or maybe it can provide a little extra income?

How you utilise this home is up to you but be warned the vendors are motivated and ready to sell so that they don't miss out on their next dream home. Make sure you don't miss out on this one.
