

Newport, 1/14 Princes Street

Downsize to a phenomenal waterfront lifestyle

Claiming a prime waterfront setting on Crystal Bay, 'The Squadron' complex is one of Newport's most tightly-held; this incredibly spacious apartment is the first with three bedrooms to come to market in years. Fully renovated from end-to-end in 2015, its first floor position soaks up a sunny north aspect with dazzling views across the harbour front and Pittwater. Elegant and beautifully appointed, this apartment takes full advantage of the setting with a generously-scaled floorplan, terraces on three sides and only one common wall.

Signature features include an enormous contemporary kitchen that's finished with a suite of European appliances and loads of custom-designed storage; bathrooms are equally impressive, as are the bedrooms, each with built-in wardrobes and terraces. Additional highlights include reverse-cycle air conditioning, internal laundry and a two-car garage with additional storage space.
