Easy Living Between Beaches and Village Life

Set within a lush garden setting, this charming two-bedroom with study beach cottage centres everyday living around light, greenery and ease. Expanses of glass draw the outdoors inward, allowing landscaped surrounds to become part of the interior experience, while the open-plan layout extends naturally to a level lawn framed by established planting. The secure yard allows children and pets to move freely, complemented by a low-maintenance design suited to busy schedules. Warm, welcoming and thoughtfully arranged, with a choice of Bungan, Mona Vale or Newport Beach for swimming or surfing, moments from village shops, eateries, schools, marinas and city buses.
