

North East Valley, A/7 Jura Street

High-Demand Rental Area - Buy One or Secure Both

Auction Location: 63 Musselburgh Rise

An excellent opportunity to secure not one, but two 4-bedroom, 2-bathroom flats in the ever-popular North East Valley. Built in 1985, these properties are a smart choice for investors looking for steady rental income and long-term potential.

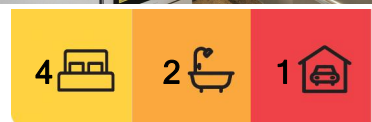

7A is currently rented at \$450 per week, and 7B at \$550 per week - both with fixed-term leases in place until December 2026. That's a combined rental income of \$1,000 per week, offering solid returns from day one.

Each flat is compact, easy to maintain, and features contemporary interiors with a focus on comfort and functionality. There's good storage, off-street parking, and scope to add further value.

The location is a winner - just minutes from the University, Polytech, and Dunedin CBD, making these flats highly appealing to students and professionals alike. With public transport, shops, and cafes all nearby, convenience is at your doorstep.
