

Northwood, 29 Fleming Street

Incredibly affordable, entry level - MUST BE SOLD!

The home is located at the end of a quiet cul-de-sac and does not have driveway access, only pedestrian access.

An entry point into the coveted Northwood market with exciting further potential, this home is the ideal starter for young families. It's tucked at the end of a quiet cul-de-sac and is well-presented with an emphasis on alfresco entertaining. The huge covered terrace is like an outdoor room immersed in leafy privacy while the level rear garden is the perfect place for children and pets to play. The versatile single-level layout can be set up to suit your lifestyle as you ponder the possibility of renovating and extending up or out (STCA). A delight for those who value convenience to cosmopolitan attractions and harbour foreshore reserves but like to feel as though they're a world away from the hustle and bustle, here's your opportunity.

- Wonderfully generous living room with leafy outlooks
