

9 Bisdee Place, Nowra

Space, Flexibility & Full of Potential

Scott Lummas and Alexandra Harris present 9 Bisdee Place, Nowra, set in a quiet cul-de-sac and offering plenty of space, flexibility and potential for the whole family.

With four bedrooms, two bathrooms, a separate study and multiple living areas, there's room for everyone. The spacious lounge and dining area opens onto the entertaining deck, creating a great space to relax or have friends and family over.

Outside, there's even more flexibility with a separate studio with internal access, along with additional storage/office space. The studio could work well for a teenager, home business, hobby or creative space, while the separate storage/office gives you another practical area to use as needed.

The studio was originally designed as a garage, giving you the option to convert it back if preferred.

Set on a generous 672m² block with solar panels already in place, there's plenty of room to make the property your own.
