Country Comfort with a Brand-New Pool on 1.31 Acres*

Set behind an electric gated entry on a picturesque 1.31-acre* (5,293 sq. m*) parcel, this beautifully updated acreage delivers the perfect balance of relaxed country living and modern comfort. Welcomed by a charming front verandah, the home opens to light-filled interiors enhanced by new hybrid flooring and a warm combustion fireplace, creating an inviting space for family living.

The modern kitchen overlooks the open plan dining area and is thoughtfully appointed with a wall-mounted oven, electric cooktop, breakfast bar and ample storage, ideal for both everyday meals and entertaining. Accommodation is generous, with six well-proportioned bedrooms, with five of the bedrooms also featuring built-in robes for practicality.

Outdoors, the property truly shines. A brand-new in-ground concrete swimming pool with stylish decking surrounds and low-maintenance astroturf sets the scene for summer enjoyment, complemented by the convenience of an outdoor bathroom designed with poolside living in mind. At the rear of the property, a new shed (12 m x 6 m x 3.6 m*) includes two roller doors and an attached carport, and there are multiple, smaller sheds for all your storage needs. The expansive, level land offers endless opportunities for families, hobby farmers or those simply seeking space and privacy.
