

321 Thames Street, Oamaru

PRIME CORNER LOCATION!

We are proud to present this outstanding opportunity a three-bedroom weatherboard home positioned on a high-profile 489m² corner site on State Highway 1.

The home itself spans approximately 112m² & offers classic weatherboard charm. Inside, you'll find three well-proportioned bedrooms and a functional layout ready for your vision. Whether you choose to renovate & add value, refresh & rent out, or completely reimagine the space, the potential here is undeniable.

There is a single powered garage, an additional out shed ideal for storage or a workshop, plus off-street parking - a real bonus in such a strategic location. The corner positioning not only enhances accessibility but also maximises exposure.

And let's talk about that location. Positioned directly on State Highway 1, this site offers exceptional visibility and accessibility. For those with an eye for the future, the possibilities extend beyond residential living. Explore the option to rezone and establish a business presence here, subject of course to council approval. With such a prominent setting, this could be the perfect live-work opportunity or redevelopment project.
