

Oamaru, 54 Warren Street

RENOVATIONS COMPLETE, MOVE ON IN!

You'll be impressed with the attention to detail that has been implemented throughout this stylish smart home - An extensive renovation has taken place inside & out, making this three bedroom property, one you do not want to miss!

The heart of the home is a spacious, modern o/plan kitchen, dining, and lounge, where large windows frame the Oamaru township and sea views below. Indoor outflow is inevitable as the kitchen has large stacker doors leading you towards the garden courtyard.

Storage and space can be found in all of three double bedrooms, and a stylish ensuite is up for grabs in the master - Adding to the convenience found here, the smart home technology is perfect for those needing every spare minute they have in their busy schedule and year round comfort is ensured by the fireplace, insulation, dbl glazing and HRV. Downstairs the utility room/office is ready for you to use, as you wish.
