

6 Queens Crescent, Oamaru

A HOME WITH MORE TO OFFER!

Set in a quiet part of Holmes Hill, this well-maintained three-bedroom home has plenty to offer, along with scope to add your own touches over time.

The home enjoys good afternoon sun, particularly in the rear living area, while the kitchen and dining spaces work well together for everyday living. All three bedrooms are a good size and include built-in wardrobes, providing plenty of practical storage.

Comfort is well covered with double glazing, quality carpets, two heat pumps and a small in-built fire on wetback. The bathroom features a wet-floor shower, with a separate toilet for added convenience. There's also the potential to create a second bathroom, with a second toilet already installed - providing a great head start for anyone looking to further enhance the home.

The 898sqm section is another real highlight, with established trees, shrubs and raised garden beds creating a beautifully sheltered and private setting.

Downstairs, the tandem-style garage provides useful vehicle space, along with a workshop, laundry and plenty of additional storage.
