INVESTORS TAKE NOTE - MULTI-UNIT PROPERTY

It's not very often a property such as this comes to the market offering astute investors the opportunity to purchase one property divided into four one-bedroom units with quality tenants in place.

Healthy homes compliant and currently returning \$1,040.00 per week and \$54,080 per annum, the four units in this charming villa have open plan kitchen and living areas with heat pumps, one bedroom, one bathroom and laundry facilities.

Two units have been modernised with kitchens and bathrooms and have polished wooden floors and there is potential to do the same with the remaining two units, enhancing the overall value on offer here.

Set on an elevated 1,012m² section, the grounds are easy care with a concrete driveway and off-street parking for tenants. The two front units enjoy expansive town and sea views.
