TOWNHOUSE LIVING NEVER LOOKED SO GOOD

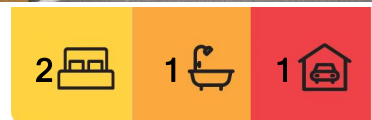

A perfect blend of simplicity and style. If you're seeking a property that's small enough to manage with ease, yet spacious enough to live comfortably, this is the one for you.

Whether you're a retiree looking for low maintenance living or a young professional in search of modern comforts, this modern townhouse is built with you in mind. The heart of the home is the stylish kitchen, seamlessly connected to the spacious lounge and a sun-drenched conservatory. A sliding door invites you to step out into the private courtyard-a perfect spot for morning coffee or evening relaxation.

With two double bedrooms - each featuring built-in wardrobes - you'll find space and storage at every turn. The master bedroom enjoys access to the sleek bathroom, complete with a wet-floor shower, glass wall, vanity, and a separate toilet. The laundry is neatly tucked away in the garage, which offers internal access and an automatic door onto the driveway. With double glazing and a heat pump, you'll stay cozy year-round.
