MORE THAN MEETS THE EYE

Quirky, contemporary and wonderfully different, 9 Bunyan Avenue is a home that reveals more the longer you explore it. Designed with space, natural light and effortless living in mind, this is a property that offers far more than its street presence suggests.

Inside, everything feels generous. The three bedrooms are all exceptionally large, with the master suite offering a spacious ensuite plus the unique luxury of direct access into the home's private internal courtyard.

At the heart of the home is a beautifully designed open plan living and kitchen area, enhanced by soaring ceilings and an abundance of natural light. A generous media room provides an additional space to relax, entertain or escape for a movie night.

One of the home's standout features is undoubtedly the central internal courtyard. Cleverly positioned to draw natural light and cooling breezes into the home, this private space becomes an extension of the living areas and is home to a swim spa - creating a unique retreat right in the middle of the house.

The entertaining continues outdoors, with a substantial alfresco area providing plenty of room for family gatherings, outdoor dining and
