

20 Giovanni Street, Oran Park

Brand-New Family Living, Ready to Call Home

There's something special about stepping into a brand-new home, and this beautifully finished residence offers the perfect setting for your family's next chapter. Positioned in a quiet, family-friendly street, the thoughtfully designed layout brings together space, style and everyday comfort. Four generous bedrooms include a private master suite with an ensuite, while a second living area at the front of the home provides a peaceful place to relax away from the main family zone. At the heart of the home, the modern kitchen features quality appliances, ample storage and a walk-in pantry, overlooking the light-filled open-plan living and dining area. From here, step outside to the covered alfresco and low-maintenance backyard; an inviting space for relaxed weekends, family barbecues and entertaining friends throughout the year. Complete with ducted air conditioning, solar panels and a single garage with internal access, every detail has been considered for comfortable modern living. Close to Oran Park's schools, parks, shopping centre and transport links, this is more than a brand-new house - it's a place to settle in, grow and truly feel at home.
