

Palm Beach, 10 Waratah Road

Classic waterfront weekender + DA approved Walter Borda design

Waratah Road has got to be Palm Beach's most exclusive cul-de-sac setting, and this lovely cottage claims a level waterfront position with a wide sandy beach, boatshed and ramp. Set within a few steps of the Golf Club, restaurants and cafés, it's no wonder that the properties here have passed from one generation to the next for decades and rarely come to market. This cottage offers the easy vibes of an endless summer with its painted hardwood floors, well-designed kitchen and relaxed, open layout; bifolds merge the interiors with a vast entertaining deck and level lawns right to the beachfront. It's a Palm Beach classic, in the best sense of the word.

If you've got your heart set on the position of the parcel, but are considering a new build, there's a stunning Walter Borda design in place that takes this property to the next level entirely; this a fabulous opportunity to secure a council-approved design by one of Australia's most acclaimed architects, while significantly reducing the completion time on
