

1163 Barrenjoey Road, Palm Beach

Absolute Waterfront Gem, Title to Sandy Beachfront

Tucked right against Pittwater's shoreline with 180 degree views across the waterfront, this is the kind of holiday home that will have families converging from far and wide every weekend. Delivering three fully self-contained levels, including a bunkroom for the kids, it offers an extraordinarily versatile floorplan, smoothly accommodating the ebb and flow of extended family and weekend guests.

It's just the way you might imagine the perfect holiday home would look and feel - light and airy, with the warmth of original hardwood floors, extensive glazing and multiple terraces setting the overall tone; its contemporary styling and well-integrated updates capture the essence of relaxed waterfront living. There are bedrooms, bathrooms and living zones on each floor, with full kitchens on the top and ground levels; lush level lawns extend to the shoreline, where full title to the high-water mark delivers access onto a perfect sandy beach merging with the pristine waterfront.

- Panoramic views across West Head, Mackerel Beach and the ferry wharf
- Perfect for extended family with living/kitchen and bedrooms on each floor
- Enjoy the parade of yachts and ferries from the expansive alfresco
