Live In, Let Out or Escape To

One of only five of its kind, this ground-floor residence is a rare gem – designed for effortless resort-style living or as a set-and-forget investment with proven returns. Inside, the open-plan layout flows from the gourmet kitchen to a bright and airy living space, with seamless access to both covered and open-air patios.

The two spacious bedrooms are privately positioned, each with its own luxe ensuite. The rear bedroom, with its indulgent freestanding bath and direct access to the alfresco area, is worthy of a main suite, while the front bedroom offers its own peaceful balcony retreat.

Whether you're seeking a holiday hideaway, a permanent coastal escape or a high-performing asset in a blue-chip location, this is the opportunity you've been waiting for.

Your resort life begins here—don't let it swim away. Contact us and schedule a viewing!
