The Home That Ticks All the Boxes

Finding a home that truly ticks all the boxes is becoming increasingly rare. Four bedrooms, a dedicated media room, multiple living areas, a resort-style pool, wide side access and a powered shed—all set on a generous block in a peaceful cul-de-sac just minutes from the beach.

Designed for the way Far North Queensland families love to live, this spacious retreat offers room to spread out, entertain and enjoy the outdoors. At the heart of the home, a beautifully appointed kitchen overlooks the dining and living zones, keeping the home chef connected to family and guests. Stone benchtops, quality appliances, generous storage and a large island bench make everything from busy school mornings to weekend entertaining effortless.

Expansive windows draw in natural light and frame tropical garden views, while the seamless connection between indoor and outdoor living encourages you to make the most of the North Queensland lifestyle. Whether you are enjoying a quiet coffee at the breakfast bar, hosting friends for a barbecue or simply relaxing with family, this home has been designed for easy living.

Outside, lush tropical gardens surround a resort-style swimming pool, creating your own private sanctuary. Protected by a shade sail and framed by leafy mountain views, it is the perfect place to cool off on a warm afternoon or unwind after a busy day.

The thoughtfully designed floorplan includes four generous bedrooms plus a separate study, providing flexibility for families, professionals working from home or those needing extra space. The master suite offers a walk-in robe, double vanity ensuite and indulgent spa bath, while separate living areas ensure everyone has room to relax.

Wide side access provides space for a boat, caravan and trailer, while the powered shed offers valuable storage, workshop space or room for hobbies and projects.

Positioned close to schools, shopping centres, beaches, Cairns Airport and the gateway to Port Douglas, this is a home that combines lifestyle, practicality and location in one outstanding package.
