

Palm Cove, 6 Camelia Court

MULTI AWARD WINNING EXECUTIVE HOME

Live the lifestyle you deserve with this brand new, fully optioned, multi award-winning home located in the heart of Palm Cove, tropical North Queensland's casually sophisticated village by the sea.

Recently completed, this executive home is sure to impress with its unique combination of thoughtful inclusions, luxury finishes and modern, comfortable, energy efficient living all within 200 metres of beautiful Palm Cove Beach that was recently crowned 'Best Beach in the World' by the prestigious Conde Nast Traveller Magazine.

The home's attractive street appeal is heavily influenced by the soaring geometric angles of the skillion roof line combined with stone and timber cladding and feature lighting.

A tiled entry portico prefaces the oversized timber and glass door that opens to reveal the flowing, light filled, tropical-inspired design where plantation shutters, VJ panelling, quality

tiling, azure Low-E Sunergy glass, and bespoke lighting features prominently.

With its pitched ceiling and built in cabinetry, the air-conditioned media room is designed for relaxing.

At the heart of the home is the spacious open plan kitchen, dining and lounge space where cooking, eating and entertaining comes into its own. Complementing this space perfectly is the full wall of bi-fold doors that retract to access the deep, covered, Eko-decked alfresco area - a seamless integration of indoor and outdoor tropical living.

Sure to inspire your inner chef, the gourmet kitchen is an entertainer's delight and comes complete with a large multi-purpose island bench, Dekton benchtops, sink with integrated knife and chopping board hub, European appliances, induction cooktop, custom cabinetry and bespoke built-in bar or coffee station.

The three large bedrooms emanate off the main living area and all feature air conditioning, ceiling fans, built in wardrobes and energy efficient LED downlights.

Located privately at the rear of the home, the master bedroom also affords a large shower ensuite with twin sink vanity, walk-in wardrobe and direct patio access.

The main bathroom is similarly impressive, comprising separate shower, toilet and vanity spaces for maximum convenience.

A spacious laundry with built in benchtop, cabinetry and separate walk-in storage completes the offering inside.

Outside, the alfresco area flows through to the sparkling pool with feature stone wall and waterfall and is bordered by an artificial lawn and vibrant garden bed space.

The double garage not only features a remote-controlled panel lift door and built in storage, but also houses the battery storage for the massive 13.76kw solar system as well as an integrated electric vehicle charger.

Setting a new benchmark for energy efficiency and finished to exacting standards of quality, this beachside home is a rare offering that is available right now.
