Lifestyle Supreme & Beautifully Elevated

Hard to replicate a more tranquil location where you have all the ingredients for the best lifestyle imaginable! This 2011 build is situated on 4.56Ha of elevated land and exhibits many noteworthy benefits for the astute purchaser. The dual living areas provide easy access to the kitchen and dining space, with the outdoor living being plentiful in all directions, whether that be the exterior decks or the secluded concrete patio.

The main home also offers 3 bedrooms, a separate laundry and the added bonus of a shower room, in addition to the main bathroom. Heating is adequately serviced with the large wood-burner and the double glazed joinery provides a further level of comfort.

One would best describe this as the complete package, contemporary living with lots of off-street parking, plenty of useable land for animals, and even a significant number of mature pine trees onsite which could be harvested for firewood. Make a lifestyle change for the better!
