

17 Bell Street, Panania

Architectural Masterpiece of Uncompromising Luxury and Craftsmanship

A residence that redefines luxury living through exceptional craftsmanship, premium materials, and meticulous attention to detail. Constructed without compromise and designed as a forever home rather than a project build, this extraordinary double-brick masterpiece showcases a level of quality rarely seen in today's market.

Spanning multiple concrete levels with triple concrete slab construction, every element of this home has been carefully curated to deliver an unparalleled lifestyle experience. From the moment you arrive, the striking architectural facade, custom stonework, premium landscaping, and grand full-height steel entry doors set the tone for what lies beyond.

Inside, the home unfolds into a stunning collection of luxurious living spaces enhanced by custom curved ceilings, automated lighting, premium finishes, and bespoke joinery throughout. The heart of the home is an exceptional designer kitchen featuring over 15 slabs of imported Brazilian Taj Mahal Quartzite and Italian Arabescato Marble, beautifully crafted curved stonework, integrated stone basins,
