and living zone has been designed for stress-free living. The kitchen features a long bench, dishwasher, pendant lighting and a streamlined modern look, flowing easily into the surrounding tiled living and dining area. Sliding doors connect the main living space to the outdoor patio, making weekend BBQs and casual catch-ups simple and seamless.

A second living or rumpus room gives the floor plan valuable flexibility, whether you need a kids' retreat, media space, home office zone or quiet sitting area away from the main living hub. With ducted cooling, ceiling fans throughout and 2.7m ceilings, the home has been thoughtfully designed for comfort across every season.

The master bedroom offers a peaceful retreat, complete with a his and hers built in robe and private ensuite. Three additional bedrooms are carpeted and well positioned for family living, serviced by the main bathroom with a glass shower and modern neutral finishes. The laundry is located in the garage and includes external access, adding practical ease to day-to-day routines.

Outside, the fully fenced block keeps things low-maintenance while still offering usable outdoor space. The remote double garage, outdoor entertaining area and easy-care surrounds make this a fantastic option for buyers wanting a new home without the extra upkeep.

The location adds further everyday appeal, with a local grocer, cafes and shops approximately 900m away or just a 3-minute drive. Park Ridge Tavern and Park Ridge Town Centre are also around 5 minutes away by car, offering Coles, Woolworths, takeaway, bakery, cafes, retail and more.
