Future-Proofed Turnkey Living: 3-Phase Power, EV Charger, and Stylish Finishes

Positioned in the sought-after Carvers Reach estate, this four-year-old Coral-built lowset home blends contemporary sophistication with high-tech efficiency. Flaunting hybrid timber floors, and premium eco-friendly upgrades, it offers a seamless blend of style, space, and modern convenience.

Highlights:

- Two separate living areas: a carpeted front lounge off the entry and a six by four metre open-plan dining and family room that opens to the patio
- Four bedrooms, including a rear master with walk-in robe and private ensuite, plus built-in robes in the other three
- Stylish kitchen with island breakfast bar, walk-in pantry, double fridge space, 600mm appliances, dishwasher, pendant lighting and USB charging points
- Three-phase power with an electric vehicle charger, ducted cooling, security screens on every door and window, and a remote double garage with internal entry
- Tiled covered patio, fully fenced lawn and usable space down both

sides, roughly 200 metres from Carvers Park

Built by Coral Homes only four years ago, this immaculate residence greets you with a crisp white Colorbond roof and a warm, inviting entrance framed by a charming front porch. Inside, elegant hybrid timber flooring flows beneath 2.59m ceilings.

Designed for flexible family living, the layout features a dedicated front lounge room upon entry, perfect for movie nights or quiet relaxation, before opening up into a bright, combined living and dining hub at the heart of the home.

Overlooking the open-plan zone is a gourmet kitchen crafted for functionality and style. Accentuated by stylish pendant lighting, it boasts quality 500mm appliances, a dishwasher, a double fridge space, abundant storage, and modern convenience with built-in powerpoints and USB charging ports directly on the bench.

Outside, the tiled patio sits under the main roofline and looks over a flat, fully fenced lawn with palms and established planting along the back fence. It is a sensible size, not built to the boundary, with room for a trampoline, a cricket pitch or a long table on a Sunday afternoon, but small enough that the mowing is done before the coffee goes cold.

Four well-proportioned bedrooms offer restful retreats, each fitted with built-in wardrobes and ducted cooling. The master bedroom is privately positioned at the rear, complete with a walk-in wardrobe and a stylish ensuite while the main family bathroom services the rest of the household with a luxury freestanding bath for long, relaxing soaks.

Forward-thinking and eco-conscious, the home comes fully future-proofed with 3-phase power and a dedicated EV charger. Further details include a remote double garage with internal access, a dedicated laundry room, security screens on all doors and windows, and a non-build-to-boundary layout ensuring extra light and space.

Situated in a peaceful street within the boutique Carvers Reach community, you are moments away from scenic local parks and playgrounds. Essential amenities, including Park Ridge Town Centre, local state primary and high schools, and the Park & Ride transit hub, are all within a swift 5-minute drive.

With two living areas, four bedrooms, a block that looks after itself and a finish that will not need touching for years, this is an easy home to picture yourself in and an easier one to move straight into.
