impressive entertaining. A beautifully appointed kitchen forms the centrepiece, featuring a substantial island benchtop, premium Miele appliances, a large butlers pantry with additional sink, all complemented by a refined warm toned palette of stone and timber.

The private accommodation is equally impressive, with three generously proportioned bedrooms thoughtfully separated from the main living and entertaining areas. Each bedroom benefits from excellent natural light and a sense of privacy, with the scale and proportions more reminiscent of a substantial home than a typical apartment. The main bedroom provides a particularly serene retreat, complemented by beautifully considered finishes, a walk in robe, ensuite and an outlook that reinforces the home's connection with its surroundings.

From the expansive living spaces and bedrooms, Canberra unfolds in a spectacular panorama, with sweeping views across Commonwealth Park, the surrounding parklands and the broader Canberra landscape.

Adding another level of exclusivity, the residence is accompanied by a secure, private four-car basement garage, providing an exceptional amount of parking and storage rarely found in apartment living.

Residents of The Eastbourne also enjoy an impressive suite of resort-style amenities, including a 25-metre lap pool, spa and sauna, well established gymnasium and Pilates studio, landscaped gardens, green spaces, bicycle storage and a concierge service. This is apartment living without compromise - generous proportions, exceptional craftsmanship, remarkable amenity and a location that places some of Canberra's most celebrated destinations at your fingertips.
