- Security sorted: 8 Ring cameras, stainless-steel security screens and sliding doors throughout, plus an integrated security door with swipe card or keypad entry

Inside, the renovation reads in every room. Fresh paint, plush new carpet and warm hybrid flooring set a calm, contemporary tone, while a soaring void above the entry draws light down the staircase. A carpeted front lounge waits for cosy winter evenings while the family and dining zone gathers everyone into one air-conditioned space.

The kitchen anchors it beautifully. Deep stone benchtops in a rich, dark tone wrap around a breakfast bar made for slow Saturday mornings, joined by crisp white cabinetry, a Bosch oven, an Asko dishwasher and a walk-in pantry that absorbs the weekly shop without complaint.

Then the sliding doors open and the home shows its best hand. An 8.5 metre covered deck runs the length of the rear, warm underfoot, framed by ceiling fans and new privacy blinds. A dedicated barbecue area sits at one end. At the other, an outdoor spa waits under the evening sky. Beyond, a level, fully fenced lawn for the children and the dog.

Upstairs is calm and beautifully finished. Four carpeted bedrooms with built-in robes and ceiling fans enjoy a leafy district outlook, with air conditioning to the main bedroom and a second upstairs bedroom, and a private ensuite off the master. All three bathrooms have been fully renovated, with new showers, new tubs, new tapware and new tiling, heated backlit mirrors and new exhaust fans. A third bathroom and a dedicated laundry sit downstairs.

Security and upkeep have been handled with the same thoroughness. Two separate solar-powered motorised gates control the driveway entries, eight Ring cameras keep watch, and stainless-steel security screens and sliding doors run throughout. Above it all, the roof has been freshly repainted and fitted with two roof vents, with a third serving the workshop.
