An Exceptional Opportunity in a Tightly Held Locale

Auction Location: On-Site

Set on an expansive 1,214sqm (approx.) allotment with dual frontage and a generous 15.29m street presence, this original 1961 built four bedroom home represents a truly rare land offering in a tightly held and highly sought after location, positioned less than 7km from the Adelaide CBD. Opportunities of this scale and flexibility are becoming increasingly scarce, making this an exceptional prospect for a wide range of buyers.

The home itself is a conventional double brick residence and, while presented in only fair condition, provides great bones and immediate holding income or renovation potential. All four bedrooms are of good size and are centrally serviced by the main bathroom. The light filled lounge room enjoys excellent natural light, flowing through to an open plan kitchen and meals area. A second living area or sunroom at the rear overlooks the enormous backyard, offering a peaceful outlook and a clear sense of the land's scale.

Externally, the property features an undercover outdoor entertaining area, single car garaging and an additional tool shed. Wine

enthusiasts will appreciate the unique inclusion of a concrete wine tank/vat complete with a built-in torchio, adding character and history rarely found in modern homes.

For developers, the true value lies in the scale, frontage and flexibility of the land. Ideally suited to investors, builders, developers or renovators, the site offers multiple future options, including the potential to retain a portion of the existing dwelling while unlocking value through subdivision of the remaining land. (STPC), the allotment presents the possibility to subdivide into four or possibly five allotments (STPC), capitalising on the dual frontage and prime inner metro position.

A standout opportunity to secure land, location and flexibility in one of Adelaide's most desirable city fringe pockets.
