A Private Dual-Living Sanctuary | Open by Private Inspection

Some properties give you space. Others give you a feeling. Hidden amongst lush greenery on just over an acre, this is the kind of home that instantly slows your pace. Immaculately maintained and loved with incredible attention to detail, every corner of the property feels cared for - from the pristine five-bedroom family home to the fully self-contained granny flat, creating an exceptional opportunity for genuine dual living without sacrificing privacy.

At the heart of the home, the beautifully appointed kitchen anchors the generous living spaces before flowing effortlessly to an expansive covered entertaining area. Framed by lush tropical gardens and an enchanting forest backdrop, the outdoor setting feels wonderfully private and peaceful, while a sparkling in-ground pool adds the finishing touch to this incredible family sanctuary. It's the kind of space where long lunches roll into lazy afternoons and everyday life feels just that little bit slower.
