This beautifully presented two-storey home combines contemporary finishes, multiple living areas and a low-maintenance lifestyle. From the established front landscaping and private entry to the smart digital front door lock with keypad access, every detail has been thoughtfully designed for comfortable modern living.

Stepping inside, you'll find large-format high-gloss tiles leading through to the heart of the home. LED lighting throughout the living areas, split-system air conditioning downstairs and ducted air conditioning upstairs ensure year-round comfort. The well-appointed kitchen features stone benchtops, a gas cooktop, integrated rangehood, double sink and generous storage, including overhead cabinetry. Large sliding doors open onto the paved limestone alfresco, surrounded by easy-care gardens and a small lawn area, creating a fantastic space to relax or entertain.

Practical features continue downstairs with a powder room, laundry with external access, and a fully enclosed cat run complete with a pet door, allowing your pets to safely enjoy the outdoors.
