

Penrith, 1/32 Doonmore Street

Old World Charm

Matthew O'Farrell from LJ Hooker Penrith is pleased to introduce to the market 1/32 Doonmore Street Penrith.

This 2-bedroom home is perfectly positioned just a hop, skip and a jump from Penrith CBD and the Medical precinct, giving plenty of opportunity for first home buyers, astute investors or even medical professionals, with the land being zoned R4 High Density Residential just adding to the potential now or in the future.

Boasting two sizeable bedrooms with the addition of a 3rd room, which could potentially use as a study, music, or hobby room, you will also be impressed with the vast amounts of outdoor entertaining and plenty of street parking. The style of the home upon entry feels like a warm hug, with open hallway leading off to a large lounge with fireplace, and not forgetting the high ceilings, plus the addition of split system air conditioning helping to keep you cozy all year round.

When an opportunity like this comes knocking it is not one to be missed, this could be the start of your portfolio or your first purchase on the real estate merry go round but it really is the best investment into your future you could make. With the potential future development and the thriving Penrith infrastructure, the proximity to all the amenities such as Selective schools, transport hub, Penrith CBD the medical precinct and the forever growing entertainment district of Penrith, this property should not be overlooked.

Call today to book a private inspection.
