Style, Space and Skyline Views

Positioned high within the iconic Grand Central Towers, this exceptional three bedroom, north-west facing, apartment delivers sweeping views, refined finishes and effortless sophistication.

Floor-to-ceiling windows frame the open-plan living and dining space, drawing in natural light throughout the day and casting the room in a soft golden glow come evening. The moody Manhattan-inspired palette, paired with statement lighting, creates an atmosphere of quiet luxury. A home built as much for intimate evenings as for entertaining in style. Step beyond the living space onto your private balcony, an elegant retreat to unwind as the city lights begin to shimmer below.

At the heart of the home, a designer kitchen awaits. A study in understated luxury, featuring polished stone benchtops, premium SMEG appliances and abundant storage, with a breakfast bar made for lingering conversation and effortless hosting.

Each of the three bedrooms is generously proportioned, bathed in natural light through oversized windows and finished with built-in robes and blackout curtains. The master suite offers a private sanctuary, complete with its own ensuite, while a beautifully appointed second bathroom services the remaining bedrooms. A European laundry, split system air-conditioning and two secure car spaces
