clever internal reconfiguration. All come complete with air conditioning, ceiling fans, built-in storage and quality easy-care tiling. Two also enjoy direct access out to a breezy, covered balcony.

Back inside, two fully remodelled bathrooms service the bedrooms - a shower ensuite for the master and the family bathroom providing both bath and shower options. Both bathrooms come complete with floor to ceiling tiling, modern vanities and feature tapware.

The upper level of the apartment is accessed via an attractive timber staircase that also offers some clever storage options.

At the top of the stairs is a large light-filled lounge space that also incorporates a study/office nook and integrated third bathroom and laundry.

Two sinks and a large wrap-around benchtop also make this the perfect spot for alfresco BBQ's, drinks and entertaining family and friends.

A handy storage room off the terrace, additional owner's locker/storage on the ground level, allocated car park and the complex's two sparkling pools and covered BBQ dining area completes this very attractive package that is perfectly suited to both lifestyle and investment purchasers.
