Adding further to this convenience is the studio + two-bedroom configuration (separate entries) that provides the potential for dual income streams and flexible owner usage.

Self-contained for maximum convenience, the two-bedroom portion of the apartment features a fully optioned kitchen that has everything you need including an oven, four burner cooktop, microwave, dishwasher, fridge, dual sinks and excellent benchtop and storage space.

Meals can be enjoyed from the integrated breakfast bar, separate dining table, or alfresco style on the large pool view balcony that also enjoys privacy via a natural screen of lush tropical palms.

Relax with friends and family in the spacious air-conditioned living area or retire to the comfort of the bedrooms that both feature ducted air conditioning, ceiling fans, built in wardrobes, louvre, windows and cool tiling.

A similar feature set flows through to the studio apartment with its showcase renovated bathroom that includes a separate shower, separate toilet, dual sink vanity and integrated seating and storage.

The large bedroom space also includes a seating area, two-seat dining table, sideboard and its own private balcony.

And when the time comes to entertain, top up your suntan, or relax and unwind, you can ascend the feature spiral staircase to your massive roof-top terrace where you'll find a spa, barbeque pavilion and sun lounges.

While all that Port Douglas has to offer is only a short drive away, you can also happily choose to stay in and enjoy the resort facilities that include the massive freeform pool, restaurant, bars (including pool bar), day spa and fitness centre.

Add the direct access to famous Four Mile Beach and the proximity to one of Port's best golf courses and this offering becomes all the more enticing.
