The apartment's easy-care tiling and cool white decor is complemented by its tasteful fixtures, furniture and furnishings, accents of timber and stone, louvred windows and stackable sliding doors.

Greeting you on entry, the functional kitchen offers ample storage, a compact benchtop, 2-burner hotplate, sink and under bench fridge.

The spacious bedroom easily accommodates a king-sized bed and comes complete with ceiling fan, built in storage, timber louvre doors and windows and a large ensuite with walk-in shower, toilet and vanity (stone countertop).

Beyond the bedroom, the air conditioned open plan lounge and dining space prefaces the sizeable corner balcony with its aforementioned enviable pool views.

With its excellent location, excellent reputation and very supportive onsite management team, there's a reason why Martinique apartments are tightly held.
