Perfect and Private

Value and lifestyle matter, and Unit 19 in "Oasis" has it all covered!

This property redefines innovation with the space and design format of a house but with all the benefits of apartment living in a streamlined, low maintenance home.

Immediately as you enter this superb property, you will be impressed with the light interior and spacious contemporary feel. Full length sliding glass doors open up to reveal a delightful outdoor entertaining area with a built-in BBQ, as well as your own private plunge pool offering the perfect escape on warm summer nights.

Inside, the open-plan arrangement offers easy casual living and plenty of space for all. A large bedroom with walk-in wardrobe downstairs would also make an ideal office or would be the perfect room for guests. Two bedrooms, each with ensuite upstairs make for tidy comfortable living without the need to share bathrooms.

Undercover parking for two cars, minimal body corporate levies and all within a secure gated complex only minutes from the beach and Macrossan St make this a property too good to ignore. Make no mistake; this is an absolute cracker!
