

D250 Ramada/316 Port Douglas Road, Port Douglas

THE PERFECT APARTMENT

This modern, custom finished, fully furnished studio apartment has been thoughtfully equipped with a range of extras that are sure to make your time in the tropics all the more convenient and enjoyable.

Located at the popular Ramada Resort, the apartment is currently a member of the Ramada rental pool. Its corner location at the quieter end of the main pool makes it a popular choice with holiday makers.

The oversized porcelain tiles on entry are the first sign that this one is a bit different from the rest.

While the large bathroom features the standard corner bath and shower combo, the bespoke vanity, dishwasher and washing machine sets it apart.

The customisation continues into the main living space with the thoughtfully designed built-in cabinetry that spans the entire length of one wall and incorporates the large fridge recess and double door wardrobe.

The benchtop adds a touch of class while the combination of cupboards and drawers adds the convenience of handy storage space.
