

69 Stornaway Road, Queanbeyan

Central Family Retreat

Perfectly positioned in one of Queanbeyan's most central and tightly held locations, 69 Stornaway Road delivers the kind of lifestyle families are always chasing but rarely find. Set on a generous block right in the heart of town, this is a home where everyday convenience meets genuine family functionality. Schools, parks, cafés, shopping, sporting fields, river walks and the Queanbeyan CBD are all just moments away, making this an exceptional opportunity for families wanting space without sacrificing location.

The floorplan itself is one of the home's biggest strengths, offering incredible flexibility for growing families, multigenerational living or those needing separate space for extended family, guests or teenagers. The rear section of the home creates an almost self-contained retreat, complete with its own bedroom, bathroom, office and living area, while still flowing seamlessly with the rest of the home. It is a layout that gives families room to spread out while still staying connected.

At the heart of the property sits an absolutely stunning kitchen that immediately commands attention. Stylish, oversized and beautifully appointed, it delivers a true wow factor while acting as the central hub of the home, perfectly positioned to overlook the dining, family living and expansive covered entertaining area.
