

2/43 Isabella Street, Queanbeyan

Location Meets Lifestyle

There are townhouses in great locations, and then there are homes like 2/43 Isabella Street where the location, layout and lifestyle all come together.

Set within a small complex of just six, this three-bedroom townhouse offers a floor plan that is becoming increasingly hard to find. The master bedroom, complete with its own ensuite, is positioned on the ground floor, making the home particularly appealing to downsizers wanting to avoid stairs day-to-day without giving up the space of a three-bedroom home.

The location is a genuine standout. Queanbeyan's river walk is right on your doorstep, while a stroll across the suspension bridge takes you directly towards Queanbeyan Golf Club. The CBD, shops, cafés and everyday amenities are all just minutes away, giving you the convenience of being close to town while enjoying one of Queanbeyan's best lifestyle positions.

At the rear of the home, a fantastic east-facing deck provides a beautiful outdoor space to enjoy throughout the year. It is the perfect spot for a morning coffee in the sun, while its orientation also gives you a comfortable place to retreat from the heat on summer afternoons.

A large double garage provides excellent car accommodation and additional space, while the smaller complex of only six adds to the appeal for buyers looking for something a little more private and tightly held.

Currently tenanted at \$700 per week until 18 February 2027, the property also presents a strong option for investors looking for an established income from day one.

Whether you are looking to downsize into a more manageable home, purchase your first property or secure a solid long-term investment, 2/43 Isabella Street is a rare opportunity in a location that will always be difficult to replicate.
