

5 Hampstead Way, Rathmines

Charming Family Home on Large 999sqm Block

Set on a generous 999sqm block in a quiet Rathmines pocket, this well-maintained four-bedroom home offers an exceptional opportunity for families, investors, and buyers seeking space to enjoy now with future potential to add value over time.

Behind its welcoming facade, the home delivers a practical single-level layout with multiple living zones, four bedrooms, and a large covered outdoor entertaining area that seamlessly extends the living space. Established gardens and expansive lawns create a private backyard sanctuary with plenty of room for children, pets, or future enhancements (STCA).

The oversized parcel is a standout feature, providing scope for further improvements, extension, or additional infrastructure down the track (STCA), while still enjoying a comfortable home ready to move straight into.

Positioned moments from Rathmines Shopping Village, local schools, waterfront parks, boat ramps, and the shores of Lake Macquarie, this is a lifestyle location that continues to grow in popularity.
