Coastal living in Red Head

Welcome to 31 Red Head Road, Red Head — a beautiful coastal home where ocean views, space and lifestyle come together. Set on a large block in a peaceful, private position, this five-bedroom, three-bathroom home captures expansive ocean views from almost every angle.

Whether you're cooking in the kitchen, entertaining friends on the deck or simply sitting back and enjoying your morning coffee, the ocean is always there.

And it's not just the outlook that makes this home special.

Thoughtfully renovated and designed with flexibility in mind, the lower level can function as a separate two-bedroom living space, complete with it's own kitchenette and separate yard. Perfect for extended family, teenagers, guests, dual living or simply having that extra space when you need it.

Upstairs, the main home offers generous living spaces, beautiful natural light and a seamless connection to the outdoor entertaining area and those incredible ocean views.

And then there's the location.

Tucked away in one of Red Head's beautiful, quiet pockets, you're surrounded by beaches, rainforest walks and koala corridors — with the very best of the coast right on your doorstep.
