

13 Emperor Drive, Redland Bay

RENOVATED FAMILY LIVING WITH MULTIPLE LIVING AREAS IN A CONVENIENT REDLAND BAY POCKET

Positioned on a 607m² block, 13 Emperor Drive presents a well-appointed family home combining practical living spaces with recent improvements. With multiple living areas, a flexible front media room or study, and side access suitable for a caravan, the home is well suited to families wanting space without sacrificing functionality.

Recent upgrades including, freshly painted, roof restoration works completed in July 2024 and a 10kW solar system installed in August 2024, along with tiled bedrooms completed in December 2025, add further appeal to a home that is already designed for comfortable family living. Combined with ducted air conditioning, high ceilings, and a rumpus room opening directly to the entertaining area, this is a property that offers both flexibility and long-term practicality.
