All the Stars Align

When a beautiful 2 bedroom, 1 bathroom home presents itself offering space, style and Hygge, you will feel like the planet is in perfect symmetry with you.

With off street parking and garage, the design flows through the indoor and outdoor living space allowing for plenty of natural light to enhance your horticultural ambitions.

The recently renovated kitchen and bathroom add to the ease of living as does the proximity to the shopping hub of Eastland and public transport facilities.

This is your chance to shine in your own property.
