do so relatively easily and cost-effectively. Whether catering for a growing family, regular guests or simply creating additional accommodation for the future, the property offers plenty of scope to adapt as your needs change.

A particularly impressive feature is the huge attic storage area, offering an abundance of additional storage space and making it easy to keep the home organised.

The expansive outdoor living area is where this property truly shines. A huge wrap-around, enclosed entertainment area with durable epoxy flooring provides an exceptional space for entertaining, relaxing and taking in those beautiful Island and Sandy Strait views. Whether enjoying a morning coffee, entertaining friends or watching the changing light across the water, the outlook provides a stunning backdrop to everyday living.

Adding to the home's efficiency, 24 roof-mounted solar panels help reduce ongoing electricity costs while complementing the property's practical lifestyle design.

For those with vehicles, boats, caravans and equipment, you'll be hard pressed to find a more accommodating setup. Bring the car, boat, caravan and tools - there's room for everything, including:

- 4-car accommodation
- Double lock-up garage
- Extended-height carport, ideal for a caravan, boat or larger vehicle
- Workshop
- Additional tool/yard shed
- Extensive usable grounds

And with 3,185m² at your disposal, there is also genuine potential for additional shedding or outbuildings in the future, subject of course to council approval. This provides an excellent opportunity for those wanting even more room for boats, caravans, vehicles, machinery, hobbies or a substantial workshop.

Outside, the beautifully landscaped gardens, established fruit trees and chook pen further reinforce the property's relaxed rural lifestyle, while the generous grounds provide plenty of room for children, pets, gardens and future improvements.

The location is equally appealing for anyone who loves the water and the outdoors. With the boat ramp and Fraser Island ferry close by, boating, fishing and island adventures are all within easy reach. This is more than simply a home - it's a peaceful lifestyle property with space, views, functionality and future potential, offering the opportunity to enjoy a tranquil rural atmosphere while being surrounded by the natural beauty of the Sandy Strait and islands beyond.

11 Heritage Outlook is a property that truly needs to be experienced to appreciate the lifestyle, space and potential it offers.
