grounds and generous proportions create a lifestyle as impressive as the address itself.

There is a rare sense of ease throughout the home - light-filled interiors, glossy tiled floors and beautifully proportioned rooms designed to accommodate both lively family gatherings and quieter everyday moments. Several living and sitting zones allow everyone space to spread out, while the striking original brick fireplace anchors one of the main lounges with character and nostalgia.

At the centre, the kitchen is both practical and inviting. Extensive cabinetry, expansive bench space and quality appliances make it a space that performs beautifully for busy households, while its seamless connection to adjoining dining and family zones ensures the cook remains part of every conversation. Whether it's weekday dinners or milestone celebrations, this is a home built to host with confidence.

Accommodation is where this property truly separates itself from the ordinary. Thoughtfully zoned for privacy, the home offers three generously sized secondary bedrooms with built-in robes, serviced by a central bathroom and separate toilet. In addition, three master-style suites provide outstanding flexibility for extended family, guests, teenagers or live-in parents. The primary suite enjoys a walk-in robe and beautifully renovated ensuite, while the additional suites each offer their own private bathrooms and spacious proportions.

The clever architectural layout also features a private bedroom suite with its own ensuite, physically separated from the rest of the home, providing a ready-made foundation that makes subdivision incredibly simple without disturbing the main residence (STCA).

Outside, the grounds feel like a private retreat. A long arched verandah wraps the home with classic elegance, overlooking the sparkling inground pool, level lawns and established gardens. There is room for children to play, room for pets to roam, and room for memorable weekends with family and friends. The expansive undercover entertaining area adds yet another dimension - perfect for celebrations, relaxed alfresco dining or unwinding in the afternoon breeze.

Additional highlights include:

- ? Split-system air conditioning
- ? Ceiling fans throughout
- ? Solar panel system
- ? Water tank
- ? Secure gated entry

Positioned within the coveted Robertson State School and MacGregor State High School catchments, this blue-chip address is moments from Market Square, Sunnybank Plaza, major bus routes, parks and Griffith University, with swift access to the CBD and motorways.
