- Two roomy bedrooms fitted with built-in robes, sharing a central bathroom with integrated laundry.
- Private, covered and fully fenced paved courtyard with established garden and garden shed.
- Walk to bus stops, the local park, LIONS@springwood, Arndale Shopping Centre, Springwood Mall, and transport links conveniently nearby.

Raked timber ceilings soar over the open-plan living and dining zone, lending a warmth and volume you rarely find at this end of the market. Natural light washes in from the windows, the split system air conditioning keeping the room comfortable while ceiling fans handle the rest. The adjoining kitchen is more generous than you would expect, offering gas cooking, a double sink beneath the window and plenty of cupboard space, all ready to be reimagined to your own taste.

Down the hall, both bedrooms are properly sized, each with a built-in robe and ceiling fan. They share a central bathroom that does double duty with an integrated laundry, plus security screens on every window and door for added peace of mind.

Outside, a covered, paved courtyard becomes your all-weather retreat. Fully fenced and framed by lattice, established greenery and a neat garden bed, it takes care of the morning coffee, the weekend barbecue and the undercover washing line, with a small shed tucked in for the tools.

Location is where this one really earns its keep. The local park and playground are a few minutes on foot, city-bound buses stop 450 metres from the front door, plus LIONS@springwood and Arndale Shopping Centre are a short walk away. Springwood Mall and its bus interchange sit just beyond that, while the Pacific Motorway puts Brisbane's CBD well within commuting range.

Handing you the keys and the creative control to make your dream home, this blank canvas is ready for a new chapter. Contact Pragya Ojha today to arrange your inspection.
