An Exceptional Investment Opportunity Awaits

Step into a bygone era with this charming older-style residence that beautifully combines period character with modern conveniences across three generous bedrooms in the heart of Roma.

This character-filled home exudes the warmth and craftsmanship of a previous generation, featuring the solid construction and timeless appeal that simply cannot be replicated in modern builds. The adjustable stumps speak to the traditional Queensland building methods that have stood the test of time, ensuring structural integrity for decades to come.

Each of the three spacious bedrooms has been thoughtfully appointed with its own ensuite bathroom, offering a level of privacy and convenience rarely found in heritage-style properties. The master suite presents a generous walk-in robe complemented by a separate toilet and ensuite, creating a true retreat. The remaining two bedrooms feature built-in robes with ensuites comprising shower, toilet, and vanity—perfect for family members or guests seeking their own private sanctuary.
