

28 Bassett Court, Roma

Brick and Tile Beauty

Welcome to your dream family home, perfectly positioned at the peaceful end of a quiet cul-de-sac where the only traffic is the occasional curious kookaburra.

This beautifully presented residence offers four spacious bedrooms, each thoughtfully appointed with plush carpeting, built-in robes, and ceiling fans to keep you comfortable year-round. The generous primary bedroom features a spacious ensuite, providing parents with their own private retreat after busy days.

The heart of this home is the expansive open-plan living area, where a large kitchen takes centre stage, overlooking both the dining and lounge spaces. It's the kind of layout that keeps the family connected, whether you're preparing weeknight dinners or hosting weekend gatherings. For those quieter moments, retreat to the fully enclosed media room – a versatile space that could easily transform into a fifth bedroom for growing families or visiting guests.

Climate control is a breeze with ducted reverse cycle air conditioning throughout, ensuring comfort regardless of what the Queensland weather decides to do. Security screens provide peace of mind while allowing fresh breezes to flow through.
