Classic Charm with Huge Shed

This classic Queenslander cottage delivers a wonderful blend of traditional charm and practical versatility that is surprisingly hard to find. With 4 bedrooms, two bathrooms, and a layout designed for flexible living, this home quietly ticks boxes you did not even know you had.

The welcoming front verandah sets the tone for what lies inside. The main bedroom features an ensuite and a walk-through robe that connects to a private office with direct verandah access, creating an ideal setup for anyone operating a home business. Two further bedrooms provide comfortable accommodation, while a sleep-out on the northern side opens up possibilities for guests, a studio, or simply extra breathing room.

At the heart of the home, the L-shaped kitchen overlooks the lounge area and includes a built-in breakfast bar for casual meals and morning coffees. A handy office nook adds everyday functionality, and the main bathroom offers a shower-over-bath combination with a separate toilet for convenience.

Now for the centrepiece. Accessed via the side driveway, an impressive shed measuring 18 metres by 7 metres stands ready for serious use. Fitted with dual garage doors and three-phase power,
