Big Multi-Level Rosehill Home with Room to Grow!

Welcome to 516A Great South Road, a spacious and versatile home designed to suit modern family living. Set on a freehold 840m² section with an impressive 261m² floor plan, this property has plenty of room for everyone. With multiple living spaces spread across three levels, it provides both comfort and flexibility for growing families, extended households, or those who simply love space.

The home has been thoughtfully updated, most notably with an extensive kitchen renovation. Designed to a very high standard, the kitchen features soft-close cabinetry and high-quality AEG appliances, including a brand-new dishwasher and wall oven, both backed by 5-year warranties. Completing the picture is an oversized country-style oven and stove, perfect for those who love to cook and entertain. With the open plan kitchen, dining, and living areas flowing effortlessly to an elevated deck, it's a wonderful spot to host friends or simply relax in the late afternoon and early evening sun. A heat pump in the main living and dining area ensures year-round comfort.

Alongside the kitchen upgrade, other light improvements throughout the home help create a fresh and welcoming atmosphere.
